

After a season of fun at the Bear Hotel, the bears are back in town. This year's summer-long event themed **"Wild about Wildlife Images,"** features the bears from 2005 BearFest and the Eagles from 2006 An Old Fashioned Celebration of America. The event sponsored by Evergreen Federal Bank, is created for community enjoyment and honors the good work that "Wildlife Images" does to help rehabilitate injured animals and educate people about the wildlife in our area. "Wildlife Images" receives and cares for over 2,000 animals every year at no charge to individuals. In addition, they do this with no State or Federal Government funding. They rely solely on contributions from individuals and organizations.
